WEBSITE

Please note that the website is not only a great calendar for your players, coaches and fans, it's the tool we use to assign diamonds and book umpires. It is very important that you go to the website often to ensure it accurately reflects your team's schedule.

Any errors or changes in games or practices should be reported to the Website Administrator ASAP.

If it's happening with your team, it should be on the website.

First aid kits are included. Contact the Equipment Manager if you need additional supplies throughout the season.

Game balls are provided at the beginning of the season. Contact the Equipment Manager if you need additional game balls later in the season.

All EMB equipment, bats, practice balls and remaining game balls are to be **returned** in a timely manner at the end of the season. Please ensure all personal equipment and bats are removed before returning it at the end of the season. Please contact the Equipment Manager to arrange drop off of the equipment.

EQUIPMENT BOXES AT THE DIAMONDS

Each diamond has a locked box or container for EMB. These are all keyed the same. All coaches will be provided with a key. Containers have umpire equipment and diamond supplies. There is a bucket and scoop for the lime. Please ensure that the lime stays in the bucket as it makes a mess if it is loose in the box. If a diamond box is low on lime please contact the Equipment Manager to refill it.

UMPIRES

2022 UMPIRE CONVENOR – Michelle Kingma 519-878-2585

EMB develops its own umpires through clinics and certification. The majority of these umpires are ball players themselves and strive to call the game as fairly and accurately as they can, however, for the most part, they are still kids. Please keep this in mind when dealing with our umpires. We want our umpires to return next year to provide more experienced umpires.

SCHEDULING

Umpires are scheduled from the Exeter Minor Ball website. It is critical that you schedule all games through the Diamond Convenor. If your home game is not on the website, no umpires will be assigned.

EXHIBITION GAMES

If you host any exhibition games, contact the Diamond Convenor to arrange diamond times. This will trigger a request for umpires. Please provide as much notice as possible.

GAME CHANGES

As soon as you become aware of a game change, email the Diamond Convenor. Be sure to note the date, time and diamond. If you have a rescheduled date, please provide that as well.

Make sure both teams have confirmed the game cancellation or changes in writing and notify the league convenor as soon as practical. Failure to do this may result in a fine to EMB.

If the change is for a home game and the diamond will not be used, notify the diamond convenor.

RAIN OUTS/CANCELLATIONS

Email the **Umpire Convenor, Diamond Convenor and Website Administrator** when the decision to cancel a game for weather is made. Umpires need to be cancelled no later than **1 hour before game** to avoid paying for the game.

UMPIRE NO SHOWS

Please text or call the Umpire Convenor. It may be possible to send another umpire to cover the game.

DIAMOND SCHEDULING

2022 DIAMOND CONVENOR – Jacquee Leppington 519-281-6188

The diamonds are scheduled at the beginning of the season by the Diamond Scheduler. Please notify the Diamond Scheduler of any game changes, rain outs that will require rescheduling or conflicts. Open diamond time may be available but needs to be arranged through the Scheduler.

Practice times must be booked through the Diamond Scheduler and will be added to the website. Please don't just show up at a diamond not in use.

If you are not using an assigned diamond time for a game or practice, please notify the Diamond Scheduler so it can be used by another group.

VOLUNTEERING

2022 VOLUNTEER COORDINATOR – Spring Robinson - springr@cabletv.on.ca
- Leann Dobson – ldobson@live.com
