If you register and submit your payment by March 1 you are eligible for the early registration discount (please see the next point for teeball) and you will automatically be entered into a draw for one free registration.
NOTE: A spot on a team will not be held until all payments are received. Please send in with your cheques, a print out of the registration summary tab or the email confirmation received from the online system.
- Please continue to use our www.exeterminorball.ca website for all other information.

NEW THIS YEAR

- Players will be receiving their own jersey, we will need to know your jersey size with your registration
- Players wishing to tryout for an OBA team will be subject to a \$40.00 tryout fee, due on a separate cheque with registration
- Players selected and rostered to play Rep baseball will be charged an additional \$40.00 to \$100.00 cover additional playing fees

VOLUNTEER REQUIREMENTS

We will continue to have a volunteer requirement much like other local minor sports organizations have. Our organization does still need to raise funds over and above the money collected through registration for things like equipment, uniforms, diamond times and of course umpires. Additional funds raised also helps keep registration costs as low as possible.

Due to the success of our tournaments last year we are planning to host tournaments for both fastball and baseball teams in varying age groups again this year. Running a tournament or

other event takes a lot of hard work and many hands to make it go smoothly. Each family is expected to fulfil a volunteer requirement for each registered child with Exeter Minor Ball. The non-participatory fee is \$200 per child that is registered on either the Extremes fastball or Express baseball side. Teeball is exempt from the volunteer requirement.

The fee is not meant to be punitive and it is our sincere wish to not cash any cheques from any family, so please make sure you are using the opportunities that are offered to volunteer, as it will be your responsibility to make sure you fulfill the requirements.
